## INSTRUCTIONS—Read Carefully

**BE SURE YOU KNOW THE CORRECT PREFIX AND  
NUMBER OF THE TELEPHONE WANTED**

**When:** Remove the receiver from the hook. Place the finger in the dial hole over the letter prefix of the number wanted and turn the dial till the finger touches the stop. Hold finger against the stop until the trigger clicks. In the same place the finger in the dial hole over each successive figure wanted and turn the dial till the finger touches the stop and the trigger clicks. Five turns complete your call and the bell of the telephone then rings in short periods until answered. If the called line is busy, a "busy-signal" tone will be heard. Hang up the receiver and wait a few minutes before calling that number again.

**IMPORTANT**—If you wish to call another number, or if you make a mistake in calling, hang up the receiver and take it up again before re-starting to call. Hang the receiver on the hook when through talking.

# THEY SPEAK FOR THEMSELVES

San Francisco, Nov. 21, 1909.

Dr. Wong Him,  
1268 O'Farrell Street, San Francisco.

Dear Doctor—After suffering for a number of years from Bright's Disease and Stomach Trouble, I came to you for an examination and treatment. Your diagnosis of my case, by simply feeling the pulse gave me confidence and after taking your herb treatment for a few months I am entirely well and free from pain.

Faithfully yours,  
HECTOR BEAULA,  
1032 Kearny Street, San Francisco.

November 1, 1909.

Dr. Wong Him, 1268 O'Farrell Street, San Francisco, Cal.

Dear Sir: For several months I suffered with terrible agonies of pain in my stomach, not being able to eat or retain any food. I got no relief until I was recommended to you. After the first treatment I got relief, and now after several months' treatment of your herb medicine, I feel entirely cured of my trouble. During my treatment with you I have gained 30 pounds. I tender you my most sincere thanks, and remain gratefully yours,

MRS. E. THOMAS, Antioch, Cal.  
San Francisco, Feb. 2, 1910.

Dr. Wong Him—Dear Sir: For three or four years I suffered with nervous gastritis of the stomach, kidney and liver trouble. I could not eat potatoes, bread or any starchy foods for months and was at death's door. As a last resource I applied to you. I did not care to take Chinese herbs, but was compelled to as I could not receive any relief from any other source. After a few months I was entirely cured and can eat all kinds of food, even starchy foods, for which I tender you my sincere thanks.

MRS. ELIZABETH KLUBER,  
2273 Post Street, San Francisco, Cal.

## TO OUR PATRONS

You are entitled to one directory for each instrument operating under your telephone number. Our next directory will be issued Dec. 1st. Let us know if you do not receive one. If your directory becomes soiled or damaged, call at our office for a new one or ring A 2225.

Each subscriber is entitled to the publication of one name in the body of the directory. Business telephones are given an extra listing in the classified business section under desired heading. Additional charges are made for the insertion of more than one name in the Alphabetical section under the same telephone number or for the publication of the same name under more than one heading in the classified section. Call A 2128.

Telephone bills are payable at the office of the company monthly in advance. Subscribers are urged to make use of the mails in paying bills. Forward checks or money orders signifying the telephone number for which you are paying, to the Bay Cities Home Telephone Company, Oakland, and a receipt will be mailed promptly. For cashier, call A 1213.

If your telephone does not work properly, if you do not hear well over it, if others do not hear you well, or if the bell rings indistinctly, call A 02 at once and report in detail. It is our aim to render good and efficient service to ALL the people ALL the time, and we depend upon you to advise us promptly if service is not satisfactory.

## MR. BUSINESS MAN

Impress upon your customers the economy of using the Home Telephone in giving orders. It saves time and money. Advertise your Home Telephone number on everything. Get the "Automatic" habit.

OAKLAND EXCHANGE

BERKELEY EXCHANGE

MAIN BUILDING  
333 Grant Ave., San Francisco

Why not have your long distance connections made by ONE operator rather than by SEVERAL. It is obvious that there is bound to be more delay and danger of mistakes in the connection when handled by more than ONE.

When you use the HOME your connection is made and party called by the operator to whom you give the order. There is a difference.

THE BAY CITIES HOME TELEPHONE COMPANY is now offering TRANS-BAY SERVICE to its patrons.

### **SPECIAL NOTICE!**

To call for a San Francisco Subscriber: Remove the Receiver from the hook and insert your finger in hole in the dial marked "LONG DISTANCE" and pull dial around once.

The Long Distance operator will answer. Tell the operator YOUR number and the number of the subscriber you wish. The connection will be made at once, while you wait. Hang up the receiver when through talking.

If you do not know the number of the desired subscriber, the operator will get it for you and make the connection.

#### **RATE**

Fifteen cents for three minutes and five cents for each additional minute.

## **THE DIFFERENCE**

No operators are necessary to make your connection. Make it yourself. No eaves dropping; no delays.

There is no careless Central to pull out the plug and disconnect you. No one can break the connection but yourself and the party you talk with.

Automatic Service does not get you out of bed at midnight just to tell you, "No one on your line now."

Automatic Service is supplied by machinery which does not gossip, get nervous or irritable. Hence it is always ready for business and never talks back.

Automatic Service cannot make mistakes.

Users of the Automatic are not obliged to rush downstairs to answer the phone only to be told, "They gave me the wrong number."

Users of the Automatic do not have to ask anyone to "Ring 'em again"—just press the button.

If you get the "busy buzz" you know the line is busy; you are not taking another's word for it.

---

**OUR DIRECTORY FURNISHES AN ADVERTISING MEDIUM THAT  
REACHES THOUSANDS OF CONSUMERS**

Do not push ringing button until dial has stopped rotating

# NOTICE

---

## PLEASE READ THESE INSTRUCTIONS CAREFULLY

---

**Be sure you know the correct prefix and number of the Telephone wanted.**

**Then:** Remove the receiver from the hook. Place the finger in the dial hole opposite the letter prefix of the number wanted, pull the dial down till the finger touches the stop, remove the finger and let the dial turn back till it stops. In the same way, pull the figures of the number, one after the other. Then push the button, which rings the bell of the called telephone. If the called line is busy, a "busy-signal" tone will be heard. If so, hang up the receiver and wait a few minutes before calling again.

## IMPORTANT

**Do not fail to call proper prefix** before calling numbers.

**Do not help the Dial back**, but remove your finger and allow it to run back of itself. By forcing it back you may make it call the wrong number.

**If you wish to call another number**, or if you **make a mistake in calling**, hang up the receiver and take it down again before re-starting to call.

**Hang the receiver on the hook when through talking.**

**To ask for information**, call AO1 and push the button.

**To report the telephone out of order**, call AO2 and push the button.

---

## DIRECTORY NOTICE

In the assignment and continuance of telephone numbers, while the Company may consult the convenience and taste of the subscriber, it is necessary that the Company reserve the right to withdraw or change subscribers' numbers.

Every effort is made in the preparation of the Directory, to have it complete and accurate, but the Company cannot bear any responsibility for errors or omissions.
